

GOALS FOR 2022 & BEYOND

LEARNING TO LIVE LIKE JESUS IN HOBART

Jesus taught us to pray God's "kingdom come, your will be done on earth as in it is heaven." As we pray today, we know we are not the architects of God's restorative work, but partners with Jesus in bringing God's shalom to our city.

CREATIVELY EXPRESSING LIFE AND FAITH

Life is a gift we celebrate. To gaze in awe at the beauty around us and in every person we are inspired with joy, celebration and gratitude. When curiosity and creativity meet in community, the image of God is released.

NURTURING A BRAVE SPACE

We want to be a church that is inclusive, respectful; providing a sense of belonging for everyone. This requires authenticity, vulnerability, love and forgiveness. It is risky and brave, yet our commitment is to do all we can to seed and cultivate such an environment.

BEING AN ACTIVE PARTICIPANT

Every person is unique, and everybody matters. We all have something to give and to receive, but we need each other to do it. It's a choice to join in.

A PLACE TO BELONG

No one should feel lonely. When we all work together, we can make sure no one gets lonely. When we all reach out to each other, we will all belong.
